

# CTLTC UNIVERSITY SCHOLARSHIP APPLICATION

## THE PURPOSE:

Believing the pursuit of higher education is a leadership quality, CTLTC gladly partners with several of our Christian Universities to offer scholarships to offset their first-year school expenses. You can learn more about our academic partners at their websites:

Abilene Christian University | <http://www.acu.edu> Lubbock Christian University | <http://www.lcu.edu>  
Harding University | <http://www.harding.edu> Oklahoma Christian University | <http://www.oc.edu>

Many of these scholarships are “stackable” as your student may be awarded multiple scholarships each year, as determined by each school. You may contact the Scholarship Committee Chair to learn more.

## THE QUALIFICATIONS:

Only registered participating high school students (grades 9 – 12) in the current CTLTC convention are eligible to apply

## THE PROCESS:

The process is simple: (1) **Complete** this application; (2) **Select** your school of choice from the list below, and (3) **Submit** a letter introducing your goals in life, explaining your need for this scholarship and defining leadership. Discuss how Christian leadership follows the words of Jesus in John 5:30 in various aspects of your life.

Your scholarship application will be received by the Committee Chair, processed by the Committee, approved and forwarded to the respective school for consideration.

All scholarship recipients will be announced and awarded during the Friday night devotional at Convention.

## THE DEADLINE:

To allow our schools time to consider each applicant, **please reference our Convention Calendar for application submission deadline**. Any submission dated after this deadline will not be considered. An incomplete application deadline package will not be considered. All documents, and attachments, submitted online must be .pdf files.
